VALLEY OFFERS:

GHOSTWRITING The process of writing a piece of copy under someone else's name.

PROOFING/EDITING The process of producing an accurate sample of a document or printed piece for internal or client review.

ISBN/BARCODE REGISTRATION The International Standard Book Number is a 10 or 13-digit number identifying a specific book or book-like product. It's like a Social Security Number for your book, identifying the origin, genre, publish date, author, printer of your book, and more!

EBOOK A non-editable, reflowable book that is converted to a digital format to be read on any digital device. Free for all new clients* (\$125+ Value)

ILLUSTRATION A picture or diagram that helps make something clear or attractive.

ART/COVER DESIGN The visual appearance of the outside of your book that helps to market your work.

LAYOUT/FORMATTING The layout of your book such as chapters, page numbers, paragraph spacing, fonts, and aesthetics.

TYPESETTING The process in which we take handwritten notes/paper and type it digitally, so that it can be ready for formatting.

PRINTING Putting words and images on paper by mechanical means.

LIBRARY OF CONGRESS A Library of Congress catalog control number is a unique identification number that the Library of Congress assigns to the catalog record created for each book in its cataloged collections.

CATALOGING Cataloging your books into WorldCat, ensuring your literary works reach a global audience effortlessly. Our expert team navigates the intricacies of metadata, ISBNs, and classification, providing authors with the essential tools to amplify their visibility and impact within the expansive WorldCat network.

MARKETING / ENGAGEMENT Putting words and images on paper by mechanical means. Can range from retractable banners, bookmarks, flyers, social media post, websites, amazon, marketing and advertising plans, t-shirts, and more.

IMAGES FOR DECOLONIAL FUTURES Nº 01

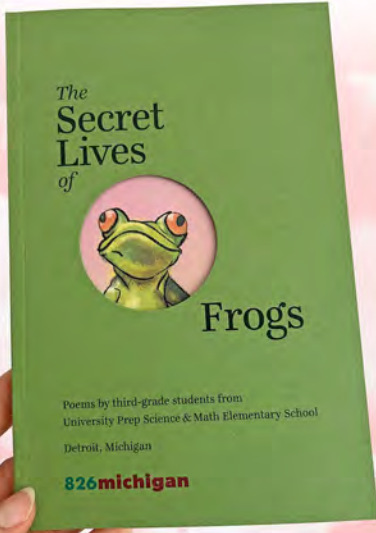

Images for Decolonial Futures, an on-going collaborative project creating new imaginaries based alternate worlds, realities, and histories for and about Puerto Rico and its diaspora. By reimagining and reinterpreting past and present symbols from the archipelago, the project is an invitation to imagine futures created by us and for us. The ultimate vision of Images for Decolonial Futures is to contribute to decolonial scholarship with the purpose of exploring new imaginaries.
